

TECHNICAL DATA SHEET

Product: Champaca Red Absolute

Product Code: FL-153806

CAS NO : 94333-99-0

FEMA NO: - -

HS CODE: 3301 2990

Description:

Chambaca Red Absolute is obtained by the solvent extraction of *Magnolia champaca*,/ *Michelia champaca* and further purification with Alcohol

Organoleptic characteristics:

Golden brownish to Reddish brown light viscous liquid with pleasant floral aroma of Champaca

ANALYTICAL QUALITY

Parameters	Specifications	Test Method
Specific gravity @ 25°C	1.030 to 1.080	GLE/QC/108 (ref:FCC)
Refractive Index @ 20°C	1.500 to 1.540	GLE/QC/107 (ref:FCC)

HEAVY METALS

Arsenic	Less than 1 ppm	ICP-MS
Lead	Less than 3 ppm	ICP-MS
Cadmium	Less than 1 ppm	ICP-MS
Mercury	Less than 0.1 ppm	ICP-MS

Halal & Kosher:

Certified by Halal Certification Services India Pvt Ltd and Star-K Kosher (USA).

Additives:

No additives

GMO Status:

The product is free from Genetically Modified Organisms.

Flavouring Status according to US (21 CFR 101-22) and EC(1334/2008) :

Natural Flavouring Preparation

Packaging

18 kg/20 Kg/ 180 Kgs HDPE pails/barrels or as per customer requirement.

Storage:

Keep in full & tight containers away from direct heat and light at ambient temperature (24-25°C).

Shelf Life:

Not more than 3 years from the date of manufacture when stored under specified storage conditions
